Address: Building 3-4. Fu'an No.3 Industrial Zone, Fuyong, Bao'an District, ShenZhen City, China 518104

WE OFFER SPECIALIZED **ONE-STOP** MANUFACTURING SERVICES

- Advanced processing technology
- Extensive raw material channels
- Efficient production

COMPANY OVERVIEW AND MAIN BUSINESS

Sunlike make Ltd is a professional metal parts and plastic parts manufacturing company which can provide: "One-stop" manufacturing from prototype manufacturing, mold making and molding, from small batches to mass production. We have established a strong technical team and experienced employees. We use high flexibility and rapid response capabilities to meet the diverse needs of our customers.

01 **PROTOTYPE**

02 **CNC MACHINING**

03 **INJECTION MOULD**

04 **DIE-CASTING MOULD**

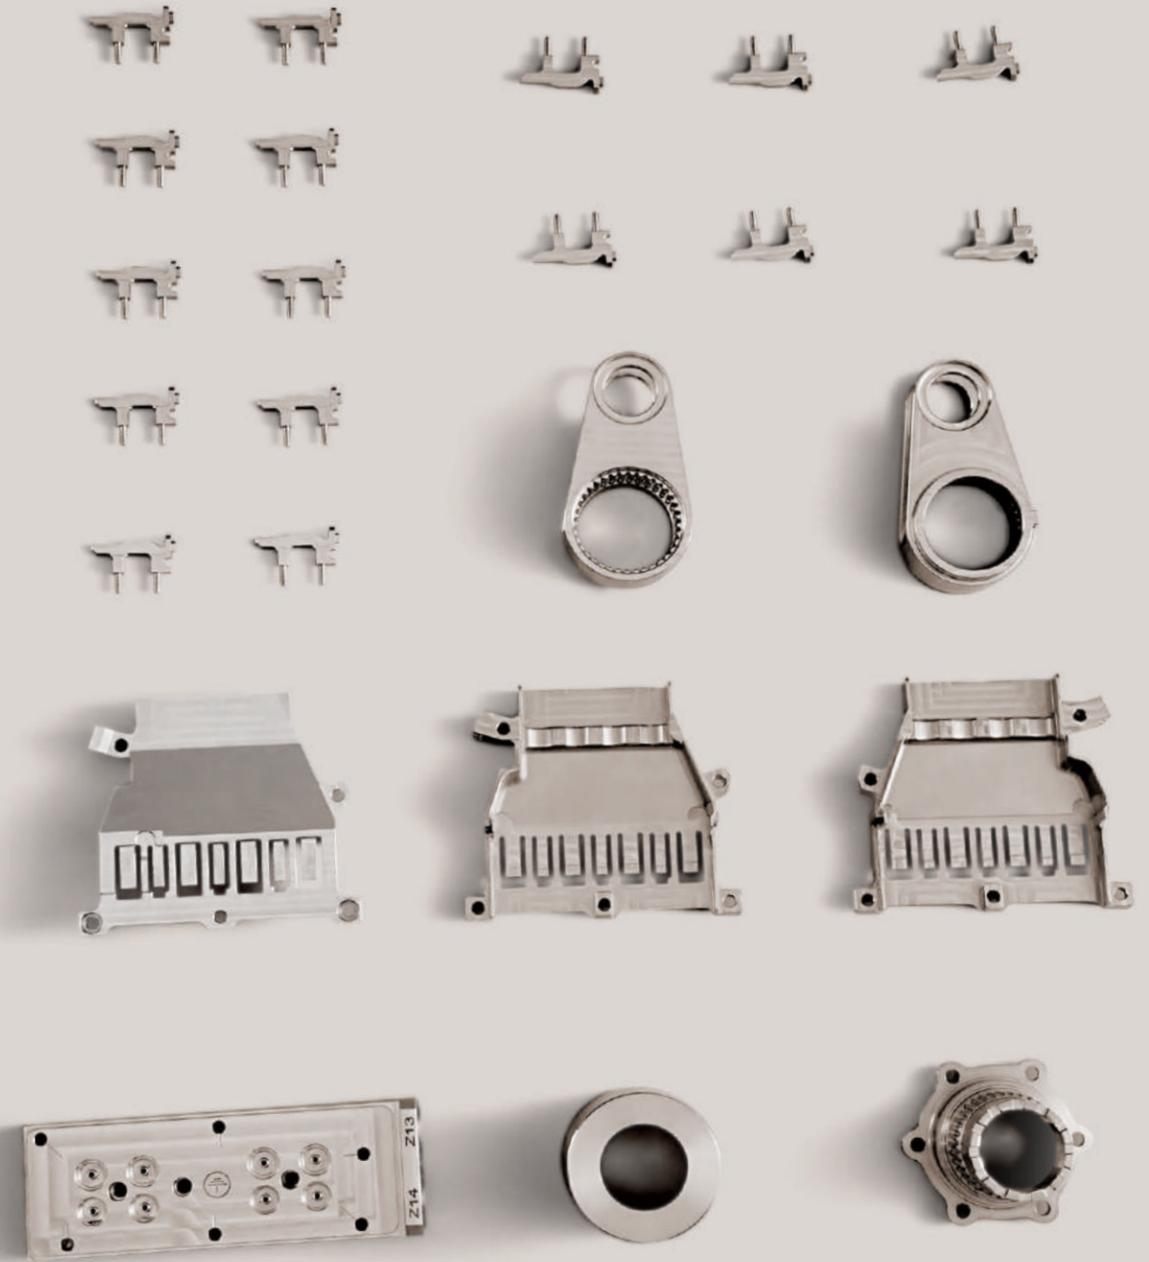

05 **FIXTURE DESIGN AND MAKE**

PROJECT MANAGEMENT AND QUALITY ASSURANCE

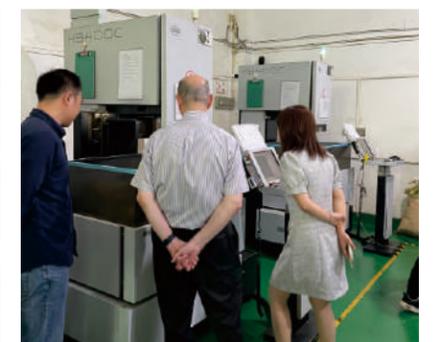

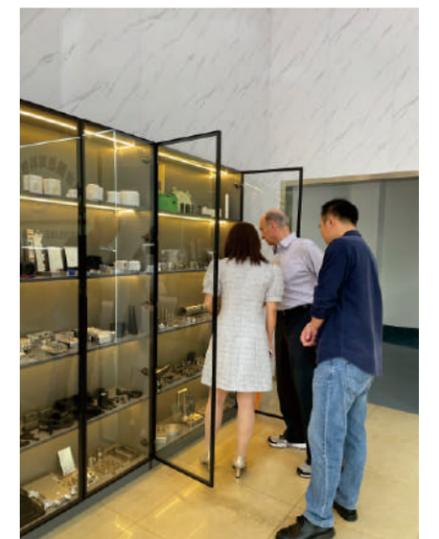

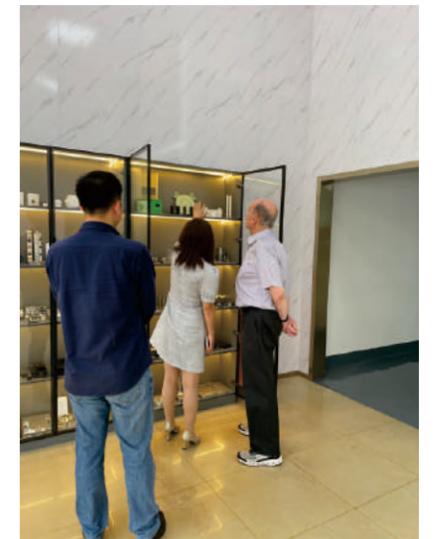

For each project, we will develop a clear project management plan, connect the customer and the internal team to communicate effectively, in accordance with the required quality requirements, Verify that each project is progressing smoothly at different stages and send reports to the client.
Internal through ISO and other industry certification

CNC Machining Equipment list

NO	Machine Name	Brand /Type	Qty	Qrigin	Precision (MM)	Manufac.Range (mm)	Remark
1	CNC Machine	Baofeng / Taiqun	25	China	0.005	1-1400	
2	Imported 5-axis CNC machine	MAZAK	5	Japan	0.005	0-600	
3	Fujia CNC Machine	K540A	4	China	0.01	0-1300	
4	Imported 4-axis CNC machine	AR-170	2	Taiwan	0.01		
5	5-axis CNC machine (3+2)	AR-210	6	Taiwan	0.01		
6	CNC lathe	HTXY52	3	China	0.005		
7	CNC lathe	CT52-500	3	China	0.005		
8	CNC lathe	400*600 Sanhuan	1	China	0.01		
9	Wire Cutting machine	Sadik AQ400LS	1	Japan	0.005	400*300*250	
10	Wire-cut EDM Machine	HB-400C	6	China	0.005	400*300*250	
11	Milling machine	FTM-X4	3	Taiwan	0.01	1100*400	
12	Grinding machine	HF-618S	2	China	0.001	150*800	
13	Grinding machine	4080AHR	1	China	0.005	400*800	
14	Drilling machine	ZQ4113	2	China		13	
15	Vertical grinder	2500	2	China		250*25*32	
16	Tapping machine	SWJ-12	4	China		12	
17	Coordinate-measuring machine	Hexagon	1	Sweden	0.002	1500*700	
18	Coordinate-measuring machine	Hexagon	1	Sweden	0.002	800*600	
19	Projector 2MM	Serein	1	Sweden	0.005	500*400	
20	Height gauge		1	Sweden	0.005	0-800	
21	Hardness tester	Dechuan	1	China
